ASSIGNMENT-1

1. OUTPUT

```
C:\Users\User\PycharmProjects\python_class\venv\Scr
Enter the purchase amount:1500
Discounted amount is: 1350.0

Process finished with exit code 0
```

2.OUTPUT

```
C:\Users\User\PycharmProjects\python_class\venv\
Enter the age:10
Enter the height:135
Eligible for ride roller coaster

Process finished with exit code 0
```

3. OUTPUT

```
C:\Users\User\PycharmProjects\python_class\venv\Script
Enter the mark of english:85
Enter the mark of maths:55
Enter the mark of science:56
Enter the marks of social:50
Commerce Stream

Process finished with exit code 0
```

4.OUTPUT

```
C:\Users\User\PycharmProjects\python_class\venv\S
Enter the number of days:12
Total amount to pay is:  48

Process finished with exit code 0
```

5. OUTPUT

```
C:\Users\User\PycharmProjects\python_class\
Enter the age:24
Do you have valid id?(yes/no):yes
You are allowed to enter.

Process finished with exit code 0
```

```
C:\Users\User\PycharmProjects\python_class\v
Enter the age:24
Do you have valid id?(yes/no):no
Sorry,you need a valid id to enter.

Process finished with exit code 0
```

```
C:\Users\User\PycharmProjects\python_class\
Enter the age:15
you are not allowed to enter.

Process finished with exit code 0
```

6.OUTPUT

```
C:\Users\User\PycharmProjects\python_class\ven
Enter a number:2
Do you wanted to find the square?(yes/no):yes
The square of the number is : 4

Process finished with exit code 0
```

```
C:\Users\User\PycharmProjects\python_class\venv\Scripts\p
Enter a number:-8
Do you wanted to find the absolute number?(yes/no):yes
The absolute number is :  8

Process finished with exit code 0
```

```
C:\Users\User\PycharmProjects\python_class\
Enter a number:0
The value is zero

Process finished with exit code 0
```
